- Need an account (not perfect, we know)

Life of an Issue

- Open a new one

- "Work needed"

- Fixed (review needed)

- Fixed (checked by the monkey)

- Fixed (to be integrated)

- Fixed (integrated) ==> CLOSE

You can Help!

- report problems

- add "how to reproduce" to existing

- read and summarize discussions

- Find duplicates

- ask others to take action

You can Help 2

- Test fixes: Does it fix the bug?

- Review fixes: Does the code look ok?

- Fix issues yourself.

  - You can even team up with someone!

A lot of work...

- The issue tracker needs eyeballs every day

- We have **675** open issue

- But we CLOSED **11878**

- 1983 in 1 year   **>5 PER DAY!**

But it pays off..

- Pharo got much more stable over the years

- People are more productive

- Feedback loop: acceleration of improvement
